

# Member Marketplace Sign-up

IFAI's InfoCentral is your access to the specialty fabrics marketplace—connecting you to suppliers and manufacturers to bolster your bottom line. Our experts are ready to help you solve problems and build business. Industry solutions, a phone call away: just one of the many benefits of being an IFAI member.

The sooner your products and services are listed on the InfoCentral database, the sooner we can connect you with other companies in the IFAI marketplace. Your InfoCentral listing also allows IFAI to send you leads based on non-member and government inquiries.

Complete the form below. On the following pages, indicate the products and services your firm provides by marking the relevant boxes. **Be sure these are products you make or sell only**, and not those you are looking to buy.
